1. List all product titles, including the web site address where we can find a full text description and image/artwork for the items.
2. List the "Total Units" for each product being shipped, including a breakdown for their intended use (e.g. if they are to be used for sale in our online store, as gifts/prizes, or samples for YogaHub to review).
3. Please include your "Suggested Retail Price" for each item so we know how much to value and/or sell the item for online.
